**Community Park Service Project** - Cadette Girl Scout Troop is going to work on cleaning up the Jane Humphrey Garden. Were going to start on Sunday, June 5.

**Tennis Courts/Pickleball – Luke**

When courts are redone, we should use the suggestion from Todd Brown of Applecross for the line colors so they blend more into the surface color and are not as noticeable when playing tennis.

**EBYA Update - Kirk**

No new updates. A lot of make-up games due to all the rain in May going on. Sandy mentioned that the baseball fields (C & D) for the EBYA older kids are not being used and we talked about other teams possibly using these fields.
