EAST BRANDYWINE TOWNSHIP QUARTERLY NEWSLETTER

EMERGENCY ALERTS!

Are you ready? The Chester County Department of Emergency Services (CCDES) recently announced the upgrade of its mass emergency notification system. The upgrade includes a new identification, ReadyChesCo, which replaces the existing ReadyNotify brand. ReadyChesCo incorporates greater technological capabilities and flexibility.

All Chester County residents, businesses and organizations are encouraged to register immediately at READYCHESCO.ORG to receive emergency alerts.

ReadyChesCo's flexibility means residents can choose the type of information they want to receive and can note any special needs information that may be useful for emergency responders. Residents can choose to receive notifications on their cell phone, home phone, office phone, and several email addresses. Subscribers can receive messages for more than one address within Chester County.

Residents can control what device or email receives the messages and in what order. ReadyChesCo will contact the first path and continue contacting subsequent paths until receipt of the message is confirmed. ReadyChesCo also has a Quiet Time option so the subscriber is not disturbed when they don't want to be.

THE WORD 'AWESOME' might be the most overused word in our modern language's tendency toward hyperbole (and awesomeness). But there is no more appropriate descriptor for the 2015 Bulls, the East Brandywine Youth Athletics' (EBYA) 12-year old baseball team which, as the summer *Milemarker* was going to press, had just won the Mid-Atlantic Regional championship of the Cal Ripken baseball league. **EBYA Bulls Win Mid-Atlantic Championship
and Advance to Cal Ripken World Series**

[CONTINUED FROM PAGE 1]

so the team advances to the League World Series which began July 24th in Aberdeen Maryland. By participating in the World Series, the EBYA Bulls have gone further than any youth baseball team in EBYA’s history.

The six-game Mid-Atlantic championship series featured ten very deserving teams from New York, New Jersey, Pennsylvania, Maryland and Delaware. Each team had previously won their State or State section championship. The tournament had no easy opponents since all the teams had proven their talent and experience in playoff competition. Many of the Bulls’ players had been to these playoffs as 10 and 11-year olds in 2013 and 2014, but had never won. To say they won this year is an understatement. In the six-game tournament, the Bulls mowed down the competition:

Game 1	EBYA 6, North Jersey, 1
Game 2	EBYA 12, Maryland, 2
Game 3	EBYA 12, Eastern New York, 1
Game 4	EBYA 13, Delaware 2
Semi-final	EBYA 12, Delaware 2
Championship	EBYA 13, Metro New York, 5

For those of you keeping score, that’s 68 runs scored and 13 given up. These kids can hit. And they can pitch. And they can field.

Head Coach Dennis Reardon said that the thing that distinguishes this team from so many others is their ability to pull for each other at all times. To say there is no “I” in team is a cliché but

when you have this much talent on one team it doesn’t take much for an individual player to feel he’s not playing enough or to be looking to pad his own stats. That’s not the case with the Bulls. And it shows in the results. They have 51 wins and 5 losses on the year.

The heroics have been far and wide during the season and the playoffs and though we’d like to tell some stories, doing so would inevitably leave out some clutch hits and clutch pitches by some of the 14 talented players on this team. Besides, with this team’s personality, they probably wouldn’t want some of the guys to get headlines while others are left out. Suffice to say, all 14 got them this far, and they’ll use all 14 in the World Series. So for the team, the coaches, and their accomplishments, there is only one word — awesome.

The Bulls won the opening game of the World Series under the lights at the Cal Senior Yard in Aberdeen, Maryland on July 24th against Hartford County, Maryland, which is the host team. The United States Division features teams from New England, Pacific Northwest, Pacific Southwest, the Ohio Valley, the Midwest, and the Southeast. The international division includes teams from Canada, Puerto Rico, Japan, Dominican Republic, New Zealand, South Korea, Australia and Mexico.

EDITOR'S NOTE: On Friday, July 31st, in the Cal Ripken World Series U.S.A. finals, the Bulls lost to Southeast, 3 to 1. Congratulations Bulls—we are very proud of your accomplishments!

FAQs About Township Trash & Recycling Programs

WHAT IS "SINGLE STREAM RECYCLING"?

Residents no longer need to separate paper recycling from bottles and cans. Most residents still have a green recycling bin for bottles and cans and a blue bin for paper. However, if you wish, these can all be combined in either or both containers. Eventually, the Township will be issuing new, larger recycling bins to all residents to accommodate all recycling materials in a single bin.

WHEN IS YARD WASTE COLLECTED?

For 2015, there will be an additional monthly pickup of certain types of bagged yard waste on the last Saturday through October 31st. "Yard Waste" is restricted to biodegradable material such as leaves, grass and small branches or twigs (no more than ½ inch in diameter) from general yard and garden maintenance. Yard Waste must be contained in biodegradable bags available at area hardware stores (such as Village Hardware on Route 322), or clean trash cans.

Residents can learn more at EBRANDYWINE.ORG/243. Remaining 2015 yard waste collection dates are August 29, September 26 and October 31.

WHEN IS LEAF COLLECTION SCHEDULED?

We collected about two hundred seventy-one tons of leaves during our 2014 leaf collection! Thank you to all that participated. Fall leaf collection for 2015 will be the weeks of:

- October 26
- November 9
- November 30

Please place all leaves along the side of the road on lawn area within six feet of road edge. Collection occurs during the week. However, leaves must be at curbside by Monday morning. Placing leaves on lawn allows the leaves to dry and the vacuum can pick them up more easily. Leaves must not be placed on the roadway, as this can cause a traffic hazard and will not be picked up by the Road Crew.

Do not block storm drain inlets and drainage areas. Our leaf vacuum cannot pick up sticks and branches, so please do not mix them with your leaf piles. Leaves can be placed in paper leaf bags but not in plastic bags.

If you have any further questions, please contact the East Brandywine Township Office at (610) 269-8230. Thank you for your participation and cooperation.

**EAST BRANDYWINE
TOWNSHIP'S NEWEST
POLICE OFFICER**

On Wednesday, May 20, 2015, Chief of Police Mark Kocsi introduced the Township's newest full-time Police Officer, Juan Lemus. Officer Lemus graduated from Oxford Area High School in June of 2006; he attended YTI Career Institute and graduated with an Associate's Degree in Specialized Technology in April 2008. After graduation, Juan worked as a Correctional Officer at the Chester County Prison and then attended the Delaware County Community College Municipal Police Academy.

Juan was hired as a Security Officer and Police Officer with West Chester University in August of 2012. He then began working for the East Brandywine Township Police Department as a part-time officer this past December. Chief Kocsi said that Officer Lemus has done an outstanding job while completing the Police Department's Field Training Program. Juan's parents, sister, nephew and girlfriend were present for the ceremony.

District Justice Jeffrey Valocchi swore in Officer Juan Lemus as a full-time Police Officer. Officer Lemus was congratulated by the Township's Board of Supervisors, Township Manager Scott Piersol, and Township Staff.

Victims' Memorial of Chester County

Know Your Community

LOCATED IN KARDON PARK, near the intersection of East Pennsylvania Avenue and Green Street in Downingtown, the Victims' Memorial was formally dedicated in October 2005 as a permanent memorial to honor those members of the community lost to crime, violence and terrorism. It was established as a place of respect and serenity. The Memorial plaques display the following moving words to honor five categories of victims:

ADULT FEMALE

Life is not forever; love is

This relief represents the adult females who have had their lives and dreams of career, family and accomplishments cut short by an act of violence. The woman shown here lost her life as a result of domestic violence. Outrage at her needless death prompted legislation to increase the penalties for murdering someone who has a Protection from Abuse Order.

ADULT MALE

Abiding love never dies

This relief represents the adult males in Chester County who have had their lives and dreams of career, family and accomplishments cut short by violence. The young man pictured had his life taken by a stranger during the course of a robbery and, to this day, the crime remains unsolved.

ADOLESCENT

This relief represents the adolescents who have had their lives, as well as their dreams of a future, taken from them

Victims' Memorial of Chester County

as a result of violence. The adolescent pictured was a beloved daughter whose life was cut short in her early teens by someone she knew.

CHILD

Go lovely rose that lived its little hour

This relief represents the children who have had their young lives cut short by an act of violence. The much-loved child pictured had his precious life taken by someone he trusted.

LAW ENFORCEMENT

*Heroes live beyond the tomb
through love and honor*

This relief represents State, County and Municipal Police Officers fallen in the line of duty from 1887 to present

and serves as a constant reminder of the risks that those in law enforcement face every day on the job. In addition to being dedicated peacekeepers, they were beloved family members, greatly missed by their families and friends, as well as by those whose lives they saved, nurtured and protected.

FIVE STONE BENCHES allow visitors to sit and contemplate the memorial. Each bench carries an inscription describing stages of loss:

Shock. The first reaction to a major loss may include reactions such as disbelief, confusion, restlessness and helplessness as well as physical responses. Be patient with yourself.

Victims' Memorial of Chester County

[CONTINUED FROM PAGE 6]

Awareness of Loss. May include longing, frustration, crying, anger, guilt, shame and fear. Nothing can make up for the absence of someone whom we love, we must simply hold on and see it through. Dietrich Bonhoeffer.

Reconciliation. The ability to fully acknowledge the reality of death and the capacity to become involved with the activities of life. In the depth of winter, finally learned that within me there lay an invincible summer. Albert Camus.

Grief. The grief journey requires contemplation and turning inward. It requires going to the wilderness. Quietness and emptiness invite the heart to regain purpose, to rediscover love, to renew life! Alan D. Wolfelt Ph.D.

Support. The grief journey does not have to be a solitary one. The Crime Victims' Center of Chester County, Inc. (610) 692-7420.

The Victim Advocates and Counselors at The Crime Victims' Center of Chester County, Inc. are available to provide homicide survivors (family, friends, significant others, etc...) with counseling and victim support services to help them through the grieving process, as well as any criminal justice proceedings. CVC's 24-hour hotline for Sexual Assault is (610) 692-7232 and for Other Crimes (610) 692-7420.
