Dear Mr. Reven:

I regret to inform you that we were unable to fund your request for a Vision Partnership Program grant at this time. This was a highly competitive grant cycle and we were only able to award grants to a limited number of applicants.

We invite you to submit an application for this project in a future round of the Vision Partnership Program grant cycle. If you would like to discuss your application or possible ways to make it more competitive for future funding rounds, please feel free to contact Susan Elks, Planning Services Division Director, at 610-344-6285 or [selks@chesco.org](mailto:selks@chesco.org).

Thank you for your interest in the Vision Partnership Program and your support of planning in Chester County.

Sincerely,

Brian N. O'Leary, AICP  
Executive Director
